

Appl. No. 10/085,175
RCE Dated February 18, 2006.
RCE Reply to Office Action Final Rejection November 18, 2005

Amendments to the Specification including Abstract

There is no "New Material" in this amended specification. I have sought to clarify my claimed invention by adding new FIGS. 6, 7, 8 and 9 to show precisely the claimed devices. Hence I have added descriptions of FIGS. 6, 7, 8 and 9 to the specification.
